COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE
UNDER 37 C.F.R. 1.104(E)

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This communication responds to the Examiner's statement of the reasons for allowance of the claims, contained within the Final Office action mailed October 11, 2005.

Applicants wish to comment on the Examiner's statements regarding the reasons for allowance of claims 1-49 by pointing out that the reasons set forth by the Examiner refer only to certain features of independent claims 1, 25, and 44, and are not the only reasons that claims 1-49 are allowable. Independent claims 1, 25, and 44 may include additional patentable features or combinations of features not mentioned by the Examiner or taught or suggested by the prior art.

Additionally, each of dependent claims 2-24, 26-43, and 45-49 may include additional patentable features or combinations of features not mentioned by the Examiner.

As such, claims 1-49 may be patentable for reasons not mentioned by the Examiner as well as for those reasons mentioned by the Examiner.

Respectfully submitted,

Casimir F. Laska
